Apeejay Business Centre

“

A team with great resilience and grit to deliver what a client needs. It's a pleasure working with Team Qbex as they end up delivery more than what is promised.

”

Mr. Sayantan Das,

*Brand and Digital
Marketing Manager -
Apeejay Surendra
Group*

Apeejay Business Centre is India's one of the largest privately held serviced office space brand and business parks with centres across metro cities like Chennai, Hyderabad, Kolkata, Mumbai, Pune and Gurugram. Apeejay Business Centre is a part of one of India's oldest and largest conglomerates, the Apeejay Surrender Group.

Qbex Solutions designed and developed the website for Apeejay Business Center for lead generation. The challenge was to create a website which is visually appealing as well as fast loading keeping the ABC branding intact and can generate leads for the business.

Our works Custom website, Italy

Café Touba

“

Between January and March of 2019 I had the pleasure of working with the guys from Qbex. I don't speak English well, and so the guys from Qbex made every effort to understand me and make me feel at ease. I had a great time thanks to their perfect organization and technical competence.

”

Giutamuta Giatà,

*Founder-
Café Touba
Association, Italy*

Café Touba Music is a Social Promotion of Cultural Exchange through musical association. This project is initiated by Mr. Giutamuta Giatà, a renowned musician from Italy along with his musical band. This association aims to bring music to children all over the world and elevate it in order to educate, empower and strengthen their minds. Their motto “Music is the Key” will be spread across 8 nations viz., Togo, Venezuela, Cambodia, Senegal, Russia, Argentina, Romania, Brazil, and Costa Rica.

Qbex Solutions is their International Marketing Agency. We have created a website which emphasizes their philosophy and also the minute details of the project by which they will reach the global market for better sponsorships.

Our works Streaming App, International

Biigg Bang Media

Biigg Bang Media is an International Company based out of Malaysia, backed by renowned producers from Mumbai, Kolkata & New York. This app is their first venture to compete with giants like Amazon Prime Videos & Netflix.

Biigg Bang is a video streaming app with the latest technologies. This app will feature various contents from across the world. This will feature the original works of famous directors in multiple languages. Qbex Solutions are their development partner. We are the designers who provided the attractive UI/UX of this app. We are also developing this entire app. This project will get Live soon.

Our works Branding & App, National

People DigiHealth

People DigiTree is a Start-up Company which aims at creating widespread, sustainable solutions. The people behind this aim to provide online solutions to both urban and rural areas. The team is launching DigiHealth App, a healthcare solution that will provide end-to-end services on a digital platform.

The DigiHealth app will have Doctor's appointment booking, video consultation, medication and test requisition, automatic Medicine and Lab Test demands to Pharmacy and Path Labs, sample collection from your home, Medicine delivery to your doorstep and many more.

Qbex Solutions is developing this app with cutting-edge technology. It is currently under development.

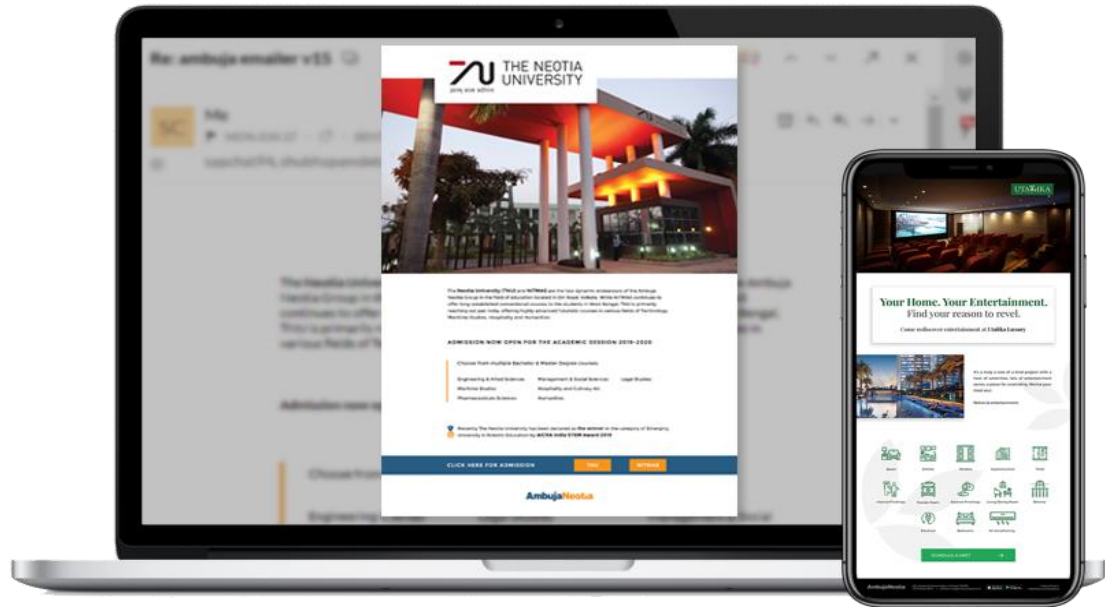

Our works **Aggregator App, National**

TodoMix

TodoMix is an aggregator platform where four different types apps comes in one place. This app consists Doctor Consultation, Medicine e-commerce, Restaurant aggregator, E-commerce - grocery and other products. The main target area of this app is both Urban & Suburban areas of West Bengal and adjacent states. The main moto of this app is to serve people from suburban areas, so that they can also enjoy the benefit of online system like Urban areas.

Qbex Solutions is designing and developing this App. The main challenge was to create a platform where these four completely different apps can co-exist and function in the same place. This app is currently in developing stage.

Our works Digital Marketing, National

Ambuja Neotia

“

Despite being a young team, Qbex Solutions has been outstanding in terms of delivery and quality of work. They have been engaged with us for our flagship project Utalika, and have successfully met our expectations

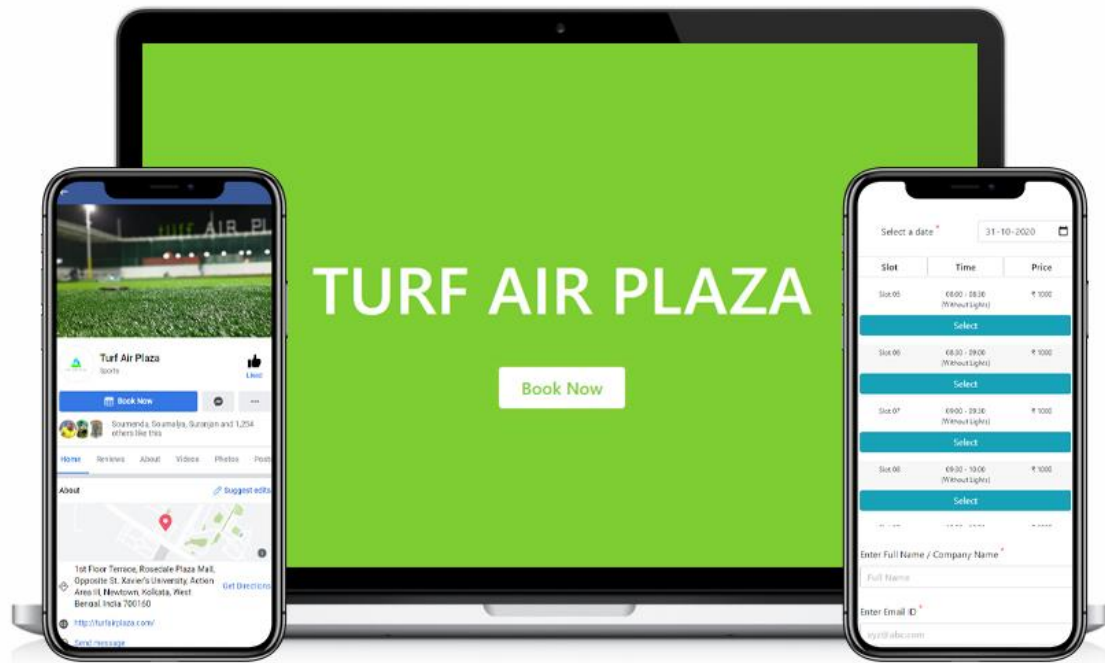

”

Mr. Subhro Sarkar

*Head, Group
Branding
Ambuja Neotia*

Ambuja Neotia is one of the most prominent and respected corporate houses headquartered in Kolkata. The company- with its strong forte in real estate, hospitality, healthcare, education and Start-up incubation under the leadership of Shri Harshavardhan Neotia – has been responsible for landmark projects in and around Kolkata

Qbex Solutions has contributed in their digital marketing domain for two of their most anticipated projects, The Neotia University and the Utalika Luxury Phase IV. We have provided them with a dozen customized newsletter e-mailers for the above mentioned projects. The e-mailers were designed with close proximity to their business requirements and brand image.
